

Sponsorship Packages

Bedfordale Bush Markets has been operating since November 2015, when a group of Bedfordale locals decided they wanted a place to buy local produce, arts, crafts and meet as a community. We run every fourth Saturday of each month from March to November.

We run free kid's activities, poultry petting, free workshops and talks. At present, we have composting, chickens and upcycling planned, plus many others.

We want to help support our local community organisations as well as educating people on the importance of being environmentally aware. Our vision statement is "nurture for self, the community and the environment"

We are looking for some sponsorship from local business to help us to continue to run and fund these activities and have the following sponsorship packages available for your consideration.

Gold Level - \$1000.00

For this you will receive:
